The International General Certificate of Secondary Education

I.G.C.S.E has been designed for 14 to 16 year olds and mainly caters for preparing the students for further academic success, including progression to AL and AS levels. It is an internationally recognized system that proved to be an evidence of ability by academic institutions and employers all over the world.

To qualify for admission to Egyptian Universities, the I.G.C.S.E graduate needs to have passed 8 subjects in OL.

Requirements of the Ministry of Education

- 1- The students complete 3 years of studies after prep. 3.
- 2- 8 OL subjects with at least C* grade (the 8 subjects are chosen according to the requirements of each university, therefore the student's choice depends on the university they choose).
